EUROPEAN ANTHEM

The EU anthem is a piece from Symphony No. 9, composed by Ludwig van Beethoven to the text of Friedrich Schiller's poem "Ode to Joy."

In 1985, EU heads of state and government decided that the melody would be the official anthem of the European Union.

Melody - **because the piece has no words.** The anthem expresses the European ideals of freedom, peace and solidarity in the universal language of music.

EUROPEAN ANTHEM

Gioia che dai luce al mondo
Dona pace e verità
Porta dentro questo canto
E vento sia di libertà

La tua forza non ha confini
Unisce chi si separa
Fa' che siano più vicini
Gli uomini che Dio creò

Gioia dea di questa terra
Che del bene tutto sa
Sei nemica di ogni guerra
Fonte di felicità
